

ORION FANS

IP69K Fans

Available in AC and DC Fan Options

Orion Fans' IP69K-rated fans are built for the harshest washdown environments. They withstand high-temperature, high-pressure cleaning while preventing contaminants from entering the motor.

FEATURES AND BENEFITS

- Designed For High Temperature & High Pressure Washdowns
- Fully Sealed Motor and Electronics
- Protection from Dust and Debris
- High Reliability Sealed Ball Bearings
- **176mm-280mm** AC Fan Frame Sizes
- **60mm-254mm** DC Fan Frame Sizes

APPLICATIONS/MARKETS

- Industrial Environments
- Sanitation-Critical Environments
- Agriculture
- Food Service Equipment
- Medical Equipment
- Kiosks and Digital Signage
- Networking & Telecom
- Marine
- Transportation/EV Chargers
