

ORION FANS

OE25079 Series

Dual Speed 250mm EC Fan

The OE25079 Series is a 250mm high-performance EC fan offering efficient cooling, reliable operation, and dual-speed functionality that allows airflow to be matched to cooling demands for improved energy efficiency and application flexibility in demanding industrial and electronic applications.

FEATURES AND BENEFITS

- 250mm x 78.5mm
- 115, 230V AC Options
- Dual Speed
- Energy Efficient
- PBT, UL90 V-0 Plastic
- Wire Leads

APPLICATIONS/MARKETS

- Refrigeration
- Transportation
- Industrial Equipment
- Kiosks/ Displays
